

# 2025 Cascade Circuit Cup Championship Awards Specifications

The *Cascade Circuit Cup* is a championship award bestowed upon the horse accumulating the most points in one of six categories across the Cascade Horse Shows' rated show circuit. This consists of four shows: the Cascade Preview, Cascade Classic, and Cascade Open (June), and the Cascade Finals (September).

The six award categories are:

- **USHJA National Hunter Derby**
- **JUMPER 1.10m and Up**
- **JUMPER Up to 1.05m**
- **HUNTER 3' and Up**
- **HUNTER Up to 2'9"**
- **EQUITATION** – *New for 2025!*

Award considerations:

- The horse may have multiple riders
- All classes (excluding warm-up and Outreach classes) that fall within the award categories are counted: refer to the tables below for specific classes
- Not all classes are offered at every show
- Points earned in the Luxury DerbyCross™ are counted in both Hunter and Jumper categories
- For Hunter classes that ride at respective heights and span award categories, points are earned in the category matching the height ridden
- Points earned at the Cascade Finals count 1.5 times
- Cascade Horse Shows reserves the right to revise this specification
